IMPORTANT INFORMATION

Health Form Requirements:

Each camper must have had a health examination within twenty-four (24) months of the camp session and present a health form signed by a licensed physician as well as a recent health history completed by a parent. For new campers – necessary health forms will be included in your confirmation packet. For returning campers - if your medical forms on file are no longer current/valid all necessary forms will be included in your confirmation packet.

Liability Release Forms:

All campers are also required to have a current Liability Release Form on file in the ranch office during their stay. The form will be included with your confirmation packet if a valid form is not already on file.

All completed medical/liability forms must arrive at the ranch office no later than two weeks prior to your camp date.

Cancellation Policy:

In order to provide the highest quality horse program we must plan well in advance based on confirmed reservations. For that reason, after the final payment date of June 1 for those reservations received prior OR for new registrations received after June 1, 2008 for your child's camp session no refunds will be issued for cancellations. Please do not ask us to make an exception for you. Read the next paragraph regarding the purchase of camp cancellation insurance to cover all sorts of last minute emergency situations + "for any reason" cancellation insurance.

Many parents have inquired about **camp cancellation protection** to cover their investment in Spring/Summer Camp for their children. We now make available a competitively priced program that we believe meets the needs of our families. We highly recommend you review this plan created especially for the Camp industry. Complete details and enrollment forms for this optional plan are available online at www.travmark.com. Refunds are not available for cancellations after the payment deadline so if you are concerned about last minute change in plans, illness, etc. that might prevent attending camp, this is something you will want to check out to help cover your financial investment.

Photography:

I understand that Rawhide Ranch may make, procure, or use photographs, films, tapes, or other likenesses of camper's physical image/voice as may be needed for use with publicity materials. Full names of campers are not used in any promotional materials.

Important Additional Information

It is important for parents to know that we do not allow the following items to be brought to camp. Any of the following items that make their way to camp with your camper will be held safely in the camp office until check-out on the closing day of camp.

CD players, IPOD/MP3 players, etc.
TVs, Video games, GameBoys, personal sports equipment, etc.
[Cell phones](#), pagers, PDA's
Pocket knives, sling-shots, weapons etc.

We thank you in advance for helping us to insure the safety of our campers and staff by respecting our policies for attending camp at Rawhide Ranch.

IMPORTANT REGISTRATION INFORMATION

Age Requirements:

Campers must be between the ages of 7 & 15 during their camp session for Sessions 1-9. IHC session requires campers to be between the ages of 10-15.

When Choosing a Date:

Please plan to give your camper the opportunity to fully participate in the camp experience rather than having to leave camp for appointments, sports, vacation, etc. It is very disruptive to the camp program. If there is a schedule conflict during your camper's stay please select another session.

Bunking Request Guidelines:

Campers are pre-assigned a cabin for the camp session. Cabin dynamics are an important part of the summer camp experience. Therefore each camper may request a max. of 2 bunkmates. To help with the bunking assignments **buddies should request each other**. As a general rule we recommend that parents do not request siblings to be bunked together. Campers are bunked by age so bunkmates need to be close in age (within one year). As last minute bunking changes are very difficult to arrange, all requests must be made at least one week prior to the start of camp session. Our program is designed for campers to have the opportunity to spend the majority of their day within their program group rather than their cabin group so a larger group of friends or friends of varied ages may choose to be in the same program group and enjoy lots of time together.
