The Old West is yours at Rawhide Ranch!

Est. 1964

The **Weekend Overnight Program for youth groups** has been a tradition at Rawhide Ranch for many years and serves young people (ages 7-15) from all over Southern California.

The weekend program can accommodate small groups as well as groups of up to 100 people (80 children max). We typically have several small groups here each weekend. Minimum age requirement is 7 years old (not flexible).

The weekend program includes a **2 night stay** at the ranch **(Fri-Sun)**, with 6 meals, classes in animal and horse science, beginner equestrian vaulting (simple gymnastic/dance moves on horseback), western style horseback riding instruction, animal care time, *plus* evening activities, campfire and much more! Rawhide Ranch provides and facilitates all program & activities.

Troops/groups will stay at one of our rustic, old west themed living areas: The Olde Schoolhouse, Fort Rawhide, and/or Tee Pee Village. General living areas may be shared with other groups, but individual cabins will not be shared with anyone outside of your group. Final group size determines cabin assignment & groups for daily classes/activities.

COST:

2026 (Jan-Dec): $299 per person
2027 (Jan-Dec): $299 per person

The activities are **exclusively for the children**. Because of this, we offer the adults a discounted rate…

Peak Seasons (Mar, Apr, May, Sept & Oct): **2 adults are ½ price *plus*** for every 10 children, 1 additional adult will also be ½ price. Any additional adults pay full price.

NON-Peak Seasons (Jan, Feb, Nov & Dec): **ALL adults are ½ price.**
