

Spotlight Weekends

Spotlight your way into a new experience at Rawhide Ranch!

Spotlight Weekends are great for brand new campers who want to get to know Rawhide Ranch, possibly before a longer stay, as well as returning campers who want to spend some time at their favorite camp and possibly work toward a rank!

Campers choose one "tract" (**Riding, Vaulting** or the **Stock Farm**) to focus on for the whole program. Each Spotlight Weekend includes about 6 classes of your child's selected "tract" plus Animal Care in the morning and evening, along with some fun games and activities. All meals are included.

Overnight Accommodations - A Rawhide Ranch counselor will be assigned to each cabin (up to 8 to 10 campers per cabin). Boys and girls sleep in separate housing areas.

WESTERN RIDING LESSONS

Western riding lessons taught by the ranch's certified riding instructors. We also focus on the many different aspects of horse and pony care, terminology, grooming and the psychology of herd animals and their behavior. Campers get to work with our ponies and horses to gain more confidence and respect for our large four-legged friends.

EQUESTRIAN VAULTING (Gymnastics on Horseback)

Learning vaulting techniques is an ideal way to help new riders understand posture, leg contact and balance from the beginning. For more experienced riders, vaulting techniques help them gain insight into timing of strides and rhythm as well. Vaulting exercises are the perfect way for riders to learn how to safely dismount "unexpectedly". A safe way to learn since the horse is controlled by a longeur, vaulting focuses on the key elements in developing confident and competent riders. Vaulting is the gateway to all equestrian sport!

STOCK FARM

Animal Science class at our EZ Stock Farm gives campers a chance to learn the basics of various ranch animals that we have here at Rawhide. We focus on the care, exploration and hands on learning opportunities of a working ranch.

Cancellation Policy

For any cancellation received 2 weeks prior to the arrival date the camp fee will be refunded minus a non-refundable deposit portion. In order to provide the highest quality program we must plan well in advance based on confirmed reservations. For that reason, after the 2 week deadline no refunds will be issued for cancellations.
