

Yee Haw! It's time for Family Camp once again. Families of all constellations will gather together to enjoy each other and Rawhide Ranch. It is a time for the whole family to gather for fun and relaxation, to experience things together or try activities separately...and just to share the magic of camp.

Families will begin their ranch adventure on **Friday** with **check-in at 6:00 pm**. Upon arrival mosey on up to the Stockman's Hotel (office) where you will check-in and receive your cabin assignment and schedule for the weekend. **There is no dinner served on Friday night so be sure to eat before you arrive!** We will have snacks available upon arrival, but not a full meal. **Orientation will begin promptly after check-in so please do not be late!**

The weekend will include plenty of time for a whole host of ranch activities including optional riding & vaulting lessons, campfire, archery, camp crafts, visiting the camp store, family games and even plenty of time to just relax and enjoy each other's company. The days will be full of choices, great meals prepared by our kitchen and good old fashioned fun! Meals at Rawhide Ranch are an important part of the experience and a time to sit together and talk about our day, what we've learned and make new friends.

The weekend will mosey to a close on **Sunday** with our famous ranch BBQ as we all bid each other a fond farewell.

Camp life at Rawhide Ranch is rustic and moves at a slightly different pace. Without cell phones, emails, iPods, crazy sports schedules and work deadlines looming we can relax together and enjoy living at a slower pace (**sorry, no Wi-Fi**). Each family will enjoy their cabin(s) in one of our rustic living areas. We provide everyone with foam mattresses for their bunk bed and suggest that you bring along a pillow and sleeping bag to complete your bedding. An extra blanket is also great if you want to stay toasty warm at night. The cabins are not heated and weather can be chilly. Each housing area has restroom/shower facilities immediately adjacent to the cabin areas. Please note that each family is responsible for their own first aid care. (See enclosed Packing List and Health & Safety Policies)

### **What's Next?**

Please make sure that all of the required forms have been completed and submitted in your online account. That will let us know if anyone in your family/group has any special dietary needs (any vegetarians in your family) and/or allergies that might be helpful for our kitchen to plan for.

From all of us here at Rawhide Ranch, thank you and we will see you all soon!

Sincerely,

Rebecca Seidl

Rawhide Ranch Registrar
