

GROUPON (Summer Camp Only)

GROUPON IS VALID FOR FIRST TIME CAMPERS ONLY!!

LIMIT ONE GROUPON PER FAMILY / HOUSEHOLD / ACCOUNT.

If you have purchased a Groupon (**NEW CAMPERS ONLY, Limit 1 per household**) please enter the discount code in your cart and click "apply". Then select the session in which the Groupon is valid for, click "add to cart" and the discount will be applied.

- Please **DO NOT apply any additional discounts** to the session you are applying the Groupon to. If you do, we will remove them.
- Please only select the session that you purchased the Groupon for! It will say on your Groupon voucher which sessions are applicable for your code.

How to add "Extra's" if using a Groupon: DO NOT select to pay the \$199 deposit. Instead, please select the "Pay in Full" option.

If you are registering siblings: Only 1 Groupon is allowed per family / household / account. Please register them separately / one at a time (use the Groupon for one and register normally for the other). If you try to register siblings at the same time it will ask you to pay the deposit for each sibling. If you do register them at the same time, we will adjust the payment allocation on our end. If you register them separately and the sibling who is not using a Groupon qualifies for the sibling discount, we will add that on our end once your registration is complete

If our records indicate that a Groupon was used for a returning camper and/or if more than one Groupon is used per family/household/account, the Groupon discount will be **VOID**, and we will not be able to accept it. The discount will be removed from the account and we will notify you with instructions for how to further proceed.

Your reservation WILL NOT BE COMPLETE UNTIL we receive your ORIGINAL GROUPON VOUCHER by mail, email or fax (it must show the redemption code). You will find the voucher in your Groupon account under "My Groupons". Please send the voucher to us immediately after you complete this registration (email: rebecca@rawhideranch.com or fax (760) 758-0440).
