

The Old West is yours at Rawhide Ranch!
Est. 1964

The **Mid-Week Overnight Program** for schools & youth groups has been a tradition at Rawhide Ranch for many years and serves young people (ages 7-15) from all over Southern California.

The Mid-Week program can accommodate minimum group sizes of 25 people, and a maximum of 100 people total (80 students max). If a group size is less than the maximum, we reserve the right to book another school/group during the same session. We typically have 1 to 2 schools here at a time. Minimum age requirement is 7 years old. This is not flexible.

The Mid-Week program includes a **2 night stay** at the ranch (**Wed-Fri**), with 6 meals, classes in animal and horse science, beginner equestrian vaulting (simple gymnastic/dance moves on horseback), western style horseback riding instruction, animal care time, *plus* evening activities, campfire and much more! On the last day of camp, families can join their camper for lunch before heading home (additional charge for guest meals). Rawhide Ranch provides and facilitates all program & activities.

Groups will stay at one of our rustic, old west themed living areas: The Olde Schoolhouse, Fort Rawhide, and/or Tee Pee Village. Final group size determines cabin assignments & groups for daily classes/activities.
